A CELEBRATION OF FLORA AND FAUNA OF THE BIBLE ENDYMION BEER

"My hope is that through identifying the flowers, plants and animals named in the Bible I will encourage readers to increase their understanding and appreciation of wildlife today..." ENDYMION BEER

- Contains over 170 colour illustrations of birds plants and animals painted by Endymion Beer.
- Includes fascinating background text on each species from wildlife expert Trevor Beer MBE
- Specific Biblical references encourage further study of the historical background to much of our modern flora and fauna.
- Emphasises the use made of animals, plants and birds in storytelling and the lore of the Bible.
- Provides a springboard to further study and an encouragement to younger readers.
- Includes important information on the natural world around us and the importance of protecting our environment.

Endymion Beer is a freelance writer, photographer and illustrator. Her subject is wildlife and the natural world and her company, Naturama, provides specialist advice and information for individuals, businesses and local authorities regarding wildlife and especially Green Tourism. She manages two private nature reserves of 18 acres in North Devon, and assists with the management of over 6,000 acres of other nature wildlife havens in the Westcountry with friend and colleague Trevor Beer MBE who provided the text on each of the species in this book. She was recently graded by the British Naturalist's Association as a registered member in recognition of her outstanding work. Recent publications include a children's book *Bod – The Beast of Bodmin Moor* and *Down Ferry Lane*.
