

Sky High SUFFOLK COAST

An Aerial Journey

Mike Page

Mike Page, through his superb aerial photographs, has produced a number of bestselling books of Norfolk and Suffolk from the air, delighting and informing thousands of readers. Of particular fascination in Suffolk are the dramatic changes in the coastal landscape due to erosion revealed through the photographs. Mike's intimate knowledge of the region and his interest in flying and photography make him particularly well qualified to create this fine collection of aerial pictures. In this book the reader is offered a visual memento of the Suffolk coast using new photographs specially selected by the author. Both for those who know the Suffolk Coast well, or for those who are visiting on holiday, this gem of a book provides the perfect keepsake.

Forthcoming titles include:

Norfolk From The Air

The Norfolk Coast from the Air II

The Suffolk Coast from the Air II

Norfolk's Railway Heritage (in association with Richard Adderson and Graham Kenworthy)

ABOUT THE AUTHOR

Mike Page began his working life as a boat builder but in 1973 in partnership with his wife Gillian began a garage business at Strumpshaw, east of Norwich. He's now semi-retired and his son Martin runs the garage, which gives him more time to pursue his flying and photographic interests. His books with Halsgrove include *A Broad's Eye's Eye View I*, *A Broad's Eye's Eye View II*, *The Norfolk Coast from the Air*, *The Suffolk Coast from the Air* and *Sky High Norfolk Coast*. Forthcoming titles include *The Norfolk Coast from the Air II*, and *Norfolk's Railway Heritage* (in association with Richard Adderson and Graham Kenworthy).
