

# THE GLENS OF ANTRIM

Steven Hanna

Prepare to see the Glens of Antrim as you've never seen them before – each one unique, breath-taking, a heartsong. Glenarm, Glencloy, Glenariff, Glenballyemon, Glanaan, Glencorp, Glendun, Glenshesk and Glentaisie, each captured in its own special way by the lens of one of Northern Ireland's finest landscape photographers.

The Glens of Antrim are so much more than places of outstanding beauty – they are a deeply intriguing monument to rural life, full of Irish folklore and stories of giants and fairies. Stretching from the Antrim Plateau to the Causeway Coast, the Glens consist of a richly varied landscape of impressive valleys, quaint beaches, thickly wooded glens and outstanding waterfalls.

*The Glens of Antrim* takes you on a journey through these nine Glens, consisting of 70 breathtaking panoramic images by fine-art landscape photographer Steven Hanna.
