

MICHAEL MORGAN RI ADDRESS BOOK

Michael Morgan RI has built a reputation as one of the country's most popular and innovative painters in watercolour. The extraordinary images he creates have struck a universal chord with collectors and lovers of art, so much so that his exhibitions invariably sell out within hours of opening. His paintings are held in private and public collections nationally and internationally, and have illustrated, or been featured in, numerous publications, among them *Michael Morgan RI* and *80 @ 80 – The Paintings of Michael Morgan RI*. He has based his approach to picture making on Goethe's simple advice that the art of painting is to see beyond the everyday familiar vision of things.

Michael is a Member of the prestigious Royal Institute of Painters in Watercolours and a Founding Academician of the South West Academy of Fine and Applied Arts. He holds both the RI Medal for his outstanding work as well as their Roland Hilder Landscape Prize. He has been invited to show his work in London at the watercolour exhibition at the Royal Academy and at the Royal Watercolour Society, as well as exhibiting annually at the Royal Institute of Painters in Watercolours. His work is represented by the prestigious gallery Marine House at Beer and every one of his solo exhibitions held there since 1998, has been a sell out; a remarkable feat by any standards. His work is in private collections throughout the UK and internationally.

This address book is produced for those who share a passion for Michael's art. Address books tend to be well used and have a long life. Along with important contact details, they keep track of the user's friends and acquaintances, tracing their lives over time and from place to place. And, if properly attended to, an address book eventually becomes a journal in itself, and an attractive and permanent keepsake. Whether you have bought this book for your own use, or receive it as a gift, we hope that it will provides years of pleasure.
