

NORFOLK POCKET ADDRESS BOOK

Many of us still find the traditional address book so much more convenient, and ultimately more dependable than an electronic device. This *Norfolk Pocket Address Book* is made to fit in a pocket or handbag, having plenty of room for those vital addresses, confidential notes and reminders. It is also carefully designed to look good too, and is personalised further by the inclusion of superb reminders of Norfolk's beautiful landscape taken by photographer Daniel Tink.

From the wide sweep of the North Norfolk Coast to delightful hidden corners of this most beautiful county, and from Norwich's superb Cathedral to the iconic windmills of The Broads, Daniel's photographs portray those aspects of the county we most love. So, whether you consider buying this mini address book for yourself, or as a gift, its owner can now carry a little bit of Norfolk with them along with all their vital information.

ABOUT THE AUTHOR
