

SPIRIT OF NORWICH

Daniel Tink

Set in the heart of beautiful Norfolk, the fine city of Norwich is a fascinating blend of old and new, with a bustling commercial centre.

Charming cobbled streets include the famous Elm Hill with its picturesque Tudor architecture and the popular Norwich Lanes with its vibrant mix of independent shops. Standing proud the magnificent castle sits on its great mound housing superb collections of art and history. Add two beautiful cathedrals and a host of elegant churches contained within the ancient city walls, and you have vivid picture of Norwich's historic past.

The city offers a generous supply of restaurants, cafés and pubs with tastes and flavours for all to enjoy. Shoppers have the choice of two malls, a colourful market-place and access to all the modern city amenities. Beautiful parks and gardens provide peaceful recreation and delightful places to explore.

The photographs in this book have been selected to provide a glimpse of much of the best that this exciting city has to offer.

ABOUT THE AUTHOR

Daniel Tink was born and still lives in Norwich, a city he knows well and continues to enjoy exploring. A graphic designer by profession, photography has given him a unique and detailed view of life through a lens. Daniel has previous provided photographs for the book *Norwich* in the Halsgrove Discover Series written by Stephen Browning, and is currently working with this same author on a book on Norwich Cathedral.

SPiRiT OF NORWICH

A short walk from the railway station brings you to the River Wensum that meanders around the north and east sides of the city centre.

Cow Tower next to the River Wensum is a symbolic reminder of Norwich's medieval past.

Norwich Cathedral on a cold morning after snowfall.

Norwich Bus Station on Surrey Street is a 5 million pound development built in 2005 to replace the old station.

Busy shoppers in the historic London Street.

The view from Lady Julian Bridge, looking towards the Novi Sad Friendship Bridge.

Norwich Castle was built around the year 1100 on the instructions of William the Conqueror, to replace a Norman timber castle keep. Steeped in history it stands at over 70 feet in height, and has had many uses in the past including a royal palace, a gaol, and more recently a museum showcasing historic artifacts and fabulous art galleries.
